The ergonomic design of our products coupled with high levels of functionality, top-notch hardware, for durability and applicability, exceeds the expectations of today's customers and draws Tahboub Home's competitive edge.

## THE ULTIMATE HOME EXPERIENCE

- ISO certified
- High quality materials
- Great consideration to detail
- Diversity in design
- Customization to suit a variety of budgets
- Accommodation for special requests

## Our Ownership

Tahboub Home is owned and managed by Tahboub Group. Our group was founded in 1977, and is a collection of seven companies that expand across various fields.

Every year we contract top four consulting firms, altering yearly between each other, to conduct internal and external audits for our companies.

We are a group of companies that are independently managed with separate finance, sales, operations, and marketing departments which report to the Board of Directors.

Our board is composed of four individuals, whom review the yearly budget, scopes of operations and top decisions which are then executed by the individual companies managements.

Tahboub has a collection of more than 30 brands that are distributed across all of their companies' retail locations and distribution channels.

The epitome of our dedication to what we do, a top-down approach, is our commitment to being honest, faithful and always optimistic that we as Tahboub Group can persevere!

Tahboub has gained a competitive edge due to its dedicated workforce and exceptional standards making it well recognized in all its industries. Tahboub benefits from a working network located in Jordan and extending throughout the Middle East.
